Field Trip Hosts

To fill this out please copy and paste this into your favorite editor.

If you have photographic expertise in the area of hosting that will be great, but also simply taking people to a place where they have not been before which has photographic interest is just fine.

Each trip is to include

- Interesting photographic venue
- Photographic mentoring by host, or designated members, while in the field
- Optional follow up meeting to share photos

Responsibilities of field trip host

Before the trip

- Identify a field trip venue and date
- Write it up (see outline below) and submit to Field Trip VP for scheduling. If you would like, send along a Word file that has a write-up and pictures. Make it sound interesting and look appealing! Either you or the Field Trip VP can send out an email to the club with the attachment.
- Try and give yourself enough time to schedule the event at least a month in advance and announce at Club meetings.
- Keep list of participants
- Arrange car pools if necessary
- Remind participants a few days before event
- Describe any other items that might affect a person's ability to participate such as physical environment (ex. Walking down steep cliffs or through tide pools) or additional costs (parking, entry fees).

At field trip

- Bring group together at least one time, to introduce participants, determine their learning needs while in the field, convey any site-specific information, and, possibly, offer field teaching.
- Take the lead throughout trip to provide photographic help, and to manage any unexpected events.

Field Trip: Short Title

Date:

Hosted by:

Description:

Type a short description of the event and photographic subjects.
Include type of venue, i.e. nature, PJ, travel, macro
Special focus, if any, i.e. macro, landscapes, portraits

Location:

Specify a meeting location and time, and interim meeting spots. Very often, we carpool and one good meeting place is the Saratoga Library. Click here for map.
Also specify times of any field teaching units, i.e. a field demo on use of wide angle lenses, reflectors, etc.

Logistics:

Specify any special equipment, clothing, food or other items which will make the field trip safe and more enjoyable for attendees.

Photography Tips

For example: Types of lenses recommended
